When talking about the subject of preppers, many people are a little confused as to who these people are and what exactly it is that they are prepping for. This book is designed to help and educate you about this world and show you the reasons why this culture exist in the world today.

Here is what you will learn after reading this book:

- What are preppers and exactly what is it that they are prepping for?
- How the end of the world can mean the end of the financial world as we know it.
- How many states are actually prepared for the world coming to an end?
- How to build a house/shelter to survive the end of civilization?
- What materials you will need to make sure that you have on hand when the end does arrive?

While this book will not be a complete comprehensive guide to the end of civilization, it will generally serve as a good place to begin your research as well as helping you along the way of getting an understanding of the basics surrounding this topic. When you are done reading this book, you should have a better insight and will yourself begin the preparations that will need to be made should the end of the world come sooner than later.
