## **The F.I.T. Files: Balance It Out (Volume 1)** Sue Comeau

Meet Finn Tilley, a successful life coach - who just happens to be 13 years old. Finn gets a panicked call from his drama-loving best friend Charlie and he knows something big is up. Whenever Charlie is stressed, his voice goes up – right now he sounds like a chipmunk on Red Bull. Charlie needs Finn's help. Charlie went to the doctor and found out his BMI is too high and he's overweight. Now his mom is threatening to take him to ICLI (I Can Lose It) meetings. Charlie is picturing himself in a room with a bunch of hungry old ladies, and he's mortified. And what the heck is BMI anyway? Can he just take some vitamins or something? Charlie needs Finn to help him sort things out. Sure, Charlie has put on a few pounds lately – he has a scooter for his mansion, and his chef bakes oversized cookies, daily. And while Finn and the rest of their friends love being active, Charlie's new favorite activity is reclining. Still, this ICLI thing seems a little drastic. Finn is on the case. After all, with a mom who's a granola-loving yoga teacher, a dad who's a coach, and a sister who dances all the time, health and fitness is a big deal in his house. He loves helping his friends when it comes to physical activity. Finn's cool as he starts investigating Charlie's situation... So why does he find himself getting weighed in front of the entire high school girls' volleyball team? Falling backwards onto his butt in front of the coolest girl ever? Or getting thrown onto some shrubs by his friend Chris (yes, she's a girl) at Charlie's mansion? Meanwhile, why has Finn's sister become so picky and grumpy? (Yikes.) In the first of The F.I.T. Files series, Finn takes us along for the ride – introducing us to his hilarious and quirky friends and family - as he helps Charlie find some balance.
