The Peculiar Business of Labor Law and Thoughts on the U.S. Constitution Donald H. Wollett, Susan G. Crowell

Don Wollett's personal account of his career as a labor lawyer and educator is humorous and yet profound in his critiques of the American legal system and the state of our educational system. His work as a labor lawyer and educator spans New York politics, the pre-war era of civil rights and civil liberties, and k-12 teachers' search for an equitable unionism over the years in New York and California.
