**Vintage Volume Two** Lisa Suzanne

Murdering a global icon was off limits, but his family was fair game.

The threats against me, the daughter of rock star Gideon Price, forced me closer to the man protecting me. I'd lost track of the number of secrets the men in my life had kept from me. But when the threat against my family turned to murder, it was time for me to learn the truth.

I was reminded once again just how short life could be, compelling me to take control of my future.

I was no longer in the dark, but I was in more danger than I ever imagined.

Vintage Volume Two contains adult situations and is intended for mature audiences.

This is the second and final book in the two-book Vintage series.
