*Leave it to the O'Learys to make romance a family affair...*

Maggie O'Leary is finally coming home to Chicago. After more than a year in Ireland, she's ready to make a plan for her future. But first, she'll have to confront the tragedy that scarred her so deeply. Asking for a job in the family bar is the first step, and it's one her family isn't entirely happy about. At least Shane Callahan, her best friend in the world, is behind her a hundred percent. He's also a hundred percent more lovable than she remembered...

Shane is determined to keep Maggie safe, even if it means working three jobs and giving up sleep to be around during her shifts at the bar. But when Maggie boldly tells him she needs more than a loyal friend now, Shane knows a single night together won't be possible. The idea of spirited Maggie in his bed is electrifying, but will she believe he wants to give her his heart, too?
