5 Hebrew Words that Every Christian Should Know: A Bite-Sized Bible Study Lois Tverberg

A friendly, bite-sized Bible study of five flavorful Hebrew words.

In this introductory word study, readers get a taste of the ancient wisdom of Hebrew, the Bible's heart-language, and see how useful it can be for reading both Old and New Testaments.

Along the way they'll uncover delightful word-plays that simply don't translate into English, and find out how Hebrew unlocks mysteries like...

...how people can have ears but not "hear"

...how (or if) God can "forget" a person

...how sins can be "visited" upon someone

The ebook format allows readers to link to Bible verses in multiple translations online. With a bit of guided comparison of verses and translations, readers can get a sense of a word's range of meaning and see why translators made the choices they did.

Through the book's brief lessons, 5 Hebrew Words broadly introduces the idea that Bible study is far richer when the Scriptures are read in light of their original language and culture.
