Awakening to the Natural State John Wheeler

John Wheeler met Bob Adamson (a student of Nisargadatta Maharaj) on a trip to Australia in 2003. In short order, Bob cleared up John's doubts and questions and pointed out to him the fact of our real nature: self-shining, ever-present awareness. Bob Adamson has encouraged John to share this understanding of 'who we really are.' The articles contained in this book (extended by another 30 articles in this edition) cover some of John's experiences with meeting 'Sailor' Bob Adamson and various aspects of the understanding which subsequently unfolded. Interspersed with these are chapters of email correspondence with enquirers who have been drawn to this radical and direct approach to self-realisation.
