In ancient times goddesses were denizens of the inner world, lending balance and richness to human lives. The goddesses in this calendar appear as if from a time of dreaming, brought closer to the “real” world in rich, uniquely sensitive paintings. Mythical in its subject matter, evocative in its imagery, the art of Susan Seddon Boulet never leaves us untouched, putting us in communication with the goddesses deep within every one of us. This calendar reproduces twelve of Boulet’s magnificent goddess paintings, each accompanied by an informative description.

Printed on FSC certified paper with soy-based inks.
