Gods, Graves and Scholars

C. W. Ceram

Gods, Graves and Scholars C. W. Ceram

Gods, Graves, and Scholars was first published in Germany under the title *Götter, Gräber und Gelehrte* in 1949. This translation, by E. B. Garside and Sophie Wilkins, was first published in the USA by Alfred A. Knopf in 1951 and in the UK by Victor Gollancz in association with Sidgwick and Jackson the following year. The text of this edition follows that of the revised edition published in 1967, with minor emendations, and with the addition of the list of further reading, by Ian Kinney, first published in Penguin Books 1974 and 1976 reprints (of the revised edition). This Folio edition includes a prologue, taken from Ceram's *A Picture History of Archaeology* (translated by Richard and Clara Winston: Thames and Hudson, 1958); and an additional section, 'The Book of the Lions', comprising extracts from Ceram's *Narrow Pass, Black Mountain: The Discovery of the Hittite Empire* (translated by Richard and Clara Winston: Victor Gollancz in association with Sidgwick and Jackson, 1956. Published in the USA under the title *The Secret of the Hittites: The Discovery of an Ancient Empire*). --- from Publisher's Note

From reader reviews:

Keven Peterson:

Book will be written, printed, or descriptive for everything. You can learn everything you want by a reserve. Book has a different type. As you may know that book is important issue to bring us around the world. Next to that you can your reading ability was fluently. A reserve Gods, Graves and Scholars will make you to become smarter. You can feel considerably more confidence if you can know about anything. But some of you think in which open or reading a new book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you searching for best book or suited book with you?

Ralph Smith:

Nowadays reading books become more than want or need but also be a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The data you get based on what kind of publication you read, if you want send more knowledge just go with schooling books but if you want feel happy read one along with theme for entertaining for example comic or novel. Often the Gods, Graves and Scholars is kind of guide which is giving the reader unpredictable experience.

Eunice Nunn:

Reading can called mind hangout, why? Because when you find yourself reading a book mainly book entitled Gods, Graves and Scholars the mind will drift away trough every dimension, wandering in each and every aspect that maybe unknown for but surely will end up your mind friends. Imaging each word written in a e-book then become one application form conclusion and explanation which maybe you never get ahead of. The Gods, Graves and Scholars giving you one more experience more than blown away your brain but also giving you useful information for your better life in this era. So now let us show you the relaxing pattern the following is your body and mind will likely be pleased when you are finished reading it, like winning a casino game. Do you want to try this extraordinary investing spare time activity?

Carl Terrell:

Some people said that they feel bored when they reading a reserve. They are directly felt the item when they get a half elements of the book. You can choose the particular book Gods, Graves and Scholars to make your reading is interesting. Your own skill of reading ability is developing when you like reading. Try to choose easy book to make you enjoy you just read it and mingle the sensation about book and examining especially. It is to be 1st opinion for you to like to open a book and learn it. Beside that the book Gods, Graves and Scholars can to be your friend when you're feel alone and confuse with the information must you're doing of these time.
