**This 11,000 word story contains explicit sexual content and is intended for mature audiences only.**

Corey and Christine lead an average life on the outside. Christine is a stay-at-home wife, and Corey works as a divorce lawyer in Maine. In their home, though, life is anything but average with wild, hot, kinky sex, driven by the insatiable lustful desires of Christine.

Then, one day, Corey walks into work and his life takes a complete twist. What had been a normal, middle-class lifestyle for Corey will soon turn into something much kinkier—so kinky, in fact, it takes place all over the United States!

In this short story, part of the larger “State of Sin” series, Corey and Christine will have rough sex, vengeful sex and begin their 50-state journey exploring their country and each other!
