The Christian church is failing in its mission. Many people are very discouraged with Christianity in a general sense and have dropped out of the church because it doesn't seem relevant any more. I believe the problem stems from the fact we have institutionalized the church and it has not functioned like the New Testament describes it. The church system is failing.

Jesus did not come and die to bring us a religion called Christianity; He came to restore to us something that had been lost ever since Adam and Eve were deceived by Satan in the Garden of Eden. Jesus was the second Adam. Jesus came to destroy the works of the devil and yet we humans seem to be totally plagued by what he does and that includes the Christian.

Christians are to be overcomers in all areas of life, yet we are overcome by sickness and disease, broken relationships, financial problems, rebellious children, immorality and abortions, failing pastors, etc. Why? We have allowed the devil to make the church a religious institution instead of a blood-covenant relationship with the living God.

This book explains how to correct the problem and restore to the Christian "THAT" which was lost in the garden millennia ago.
