By now you know--MikWright ain't right! We take a gawk at the past with present-day jabs, never stopping to say "we can't say that!"

If you think your family has issues, look at ours! What were they thinking? Oh, give it a few years and we'll be saying the same things about this year's hairdos and don'ts. (You really have to wonder about the person who invented the salmon leisure suit, though.)

Tim and Phyllis, and now Bob, work very hard to provoke something in this rather bizarre world of political correctness. Look--we're all targets of something, right? Come on--when was the last time you went to the mall and didn't come away without seeing at least a dozen chromosomal mishaps? Exactly.

So, put on your not-so-serious hat and enjoy this hilarious look at fathers. You might even find ol' dad (in the bathroom or course) laughing at himself.
