Brooklyn Park and Brooklyn Center (MN) (Images of America) Pat Snodgrass

Just north of Minneapolis and along the Mississippi River stretch the fertile prairies that attracted French Canadians and New Englanders in 1852. Originally called Brooklyn Township, Brooklyn Park and Brooklyn Center grew as settlers cultivated farms and marketed their produce. One-room schoolhouses evolved into the largest and finest schools in Minnesota while fast-growing industry and commuting replaced the small family farms. The story of Brooklyn Park and Brooklyn Center, as told through pictures, old-timer memories, and yellowed newspapers, reveals the lives of loggers, potato farmers, war heroes, and everyday people who found their dreams and quietly raised their families. Over the years, neighborhoods and fashions change as the people continue to take pride in their community's rich history.
