CGP Books

This CGP Complete Revision & Practice book is a superb way for students to prepare for the Edexcel Certificate / International GCSE Physics exams. It explains every topic from the course with clear, concise study notes and full-colour diagrams - and at the end of each section, there's a generous selection of exam-style questions to help hone their skills for the final tests (with answers included). The exams for this course are split into Paper 1 and Paper 2, so we've clearly marked all the material that's only relevant for students taking Paper 2. A free Online Edition of the whole book is also included - just use the unique code printed in the book to access it on a PC, Mac or tablet.
