Tiffany Boudreaux thought she had it all, a husband who loved her, four wonderful children, a loyal best friend, and her own event planning business. However, after the birth of their fourth child, Tiffany was forced to deal with severe depression which lead to a wounded self image and estrangement from her husband, Cameron.

With the stresses of raising four children, running his automotive shop, keeping a marriage together, and trying to cope with his father's death, Cameron Boudreaux fails to see he's neglected the people he holds nearest to him. When temptation appears, it will test him and his marriage.

Will the introduction of new friends and the steadfastness of old ones enough to help Tiffany overcome her self-consciousness and allow Cameron to show his wife that he is the husband she so desperately wants? Can Cameron and Tiffany fight their personal demons to rekindle their love and give each other a second chance?
