Put the Needle on the Record: The 1980s at 45 Revolutions Per Minute Matthew Chojnacki

In the 1980s, music defined the moment: "Video Killed the Radio Star" ushered in MTV, "Don't You (Forget about Me)" ruled *The Breakfast Club*, and "I Still Haven't Found What I'm Looking For" became the anthem of a generation. The 1980s were also the most visually provocative era of the last millennium. Every new vinyl single hit the stands wrapped in eye-catching sleeves that reflected the latest trends.

Put the Needle on the Record is pop culture historian Matthew Chojnacki's definitive guide to 7- and 12-inch vinyl single artwork from the '80s. He presents and compares more than 250 vinyl single covers, representing nearly every prominent musician of the decade. Read the previously untold stories behind the 1980s' most iconic images from the designers and visual talent behind Madonna, Prince, Adam Ant, Pink Floyd, Queen, The Clash, Pet Shop Boys, Kate Bush, and more.

Coupled with exclusive commentary from more than 100 of the '80s biggest musicians, including Annie Lennox, Duran Duran, Run-DMC, Gary Numan, The B-52's, Erasure, OMD, Scorpions, The Knack, and Yoko Ono, this is an authoritative journey back to the songs and images that continue to influence our culture.

Contains a foreword by Jake Shears of Scissor Sisters and an afterword by Nick Rhodes of Duran Duran.

Just read this e-book type for your better life along with knowledge.

Vanessa Gilliam:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring and also

can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Put the Needle on the Record: The 1980s at 45 Revolutions Per Minute can make you truly feel more interested to read.
