The Stuart Vampire: A Gothic Novel Andrea Zuvich

Henry Stuart, Duke of Gloucester, the youngest brother of King Charles II is a handsome man with sound principles. When the twenty-year-old prince contracts smallpox in 1660, however, his life takes a decidedly sinister turn. Obsessed with Henry from afar, Contessa Griselda di Cuorenero - one of the Devil's concubines - turns him into a vampire and plunges him into the world of night. But Henry soon discovers that not all horrors are of the paranormal kind... In the unnaturally close village of Coffin's Bishop, Henry encounters a severely abused young woman - a woman who has suffered under humans more monstrous than vampires. Could love save them from the evil they have known? And at what cost? Henry must choose between his humanity and his monstrous, insatiable desire for human blood. From the author of "His Last Mistress," The Stuart Vampire is a dark gothic tale in the vein of The Monk.
