'Heart-wrenching . . . intoxicating . . . a very English Anna Karenina' The Times 'Vivid, candid, engaging. So honest' Helen Dunmore Suffolk, 1939: Julia Compton has a beautifully well-ordered life. Once a promising musician, she now has a handsome husband who pays the bills, a young son she adores and a housekeeper who takes care of her comfortable home. Then on the eve of war something unexpected happens. She falls in love. The consequences are devastating. Cut off from family and friends, Julia loses everything. Penniless, denied access to her son, completely unequipped to fend for herself, she is cast adrift in wartime London with her bohemian filmmaker lover Dougie. As invasion looms and the bombs rain down her struggle is only beginning. While Dougie seeks truth wherever he can find it, Julia finds herself lost. Before long, ruined and broken, she faces a choice - succumb to her fate, or fight to forge a new identity in the heat of war.

Tom makes some research prior to write this book. This particular book very easy to read you can obtain the point easily after looking over this book.

#### **Richard Ma:**

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's spirit or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this If I Could Tell You can make you sense more interested to read.
