Substitute Isobel Rey

She's driven by his desire...

It took all of Alexia's courage to leave her abusive boyfriend and strike out on her own. When she lands a job at a glamorous sports agency, she thinks she finally has made it. But shy, blond, and beautiful, Alexia is totally unprepared for the fast sexual politics of rich men and ambitious women that is waiting for her.

Most of all, she is totally unprepared for her new boss, Nathan Fallon.

Nathan is an ex-Army officer, dazzling but damaged, who has risen to the top of the cutthroat world of sports agents. There is no one Alexia wants more, but a case of mistaken identity has Nathan believing she's given herself over to the advances of the office playboy. Desperate to win Nathan's respect, Alexia agrees to become his substitute personal assistant. It doesn't take long for the sparks to fly...and for Alexia to find herself enthralled by a man she cannot read and could never resist.

What readers are saying:

"Brilliant. Couldn't put it down."

"If you enjoyed Fifty Shades of Grey, you will enjoy this!"

"All the fun AND a good story."

From reader reviews:

Annetta Doucette:

Book will be written, printed, or outlined for everything. You can understand everything you want by a book. Book has a different type. To be sure that book is important point to bring us around the world. Next to that you can your reading ability was fluently. A publication Substitute will make you to always be smarter. You can feel considerably more confidence if you can know about anything. But some of you think this open or reading the book make you bored. It is not make you fun. Why they may be thought like that? Have you seeking best book or suited book with you?

Chad Davis:

Nowadays reading books are more than want or need but also become a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book which improve your knowledge and information. The data you get based on what kind of book you read, if you want send more knowledge just go with schooling books but if you want feel happy read one having theme for entertaining including comic or novel. Typically the Substitute is kind of book which is giving the reader unpredictable experience.

Belinda Ferguson:

This Substitute are usually reliable for you who want to become a successful person, why. The reason why of this Substitute can be one of many great books you must have will be giving you more than just simple looking at food but feed an individual with information that maybe will shock your earlier knowledge. This book is actually handy, you can bring it all over the place and whenever your conditions at e-book and printed types. Beside that this Substitute forcing you to have an enormous of experience including rich vocabulary, giving you trial run of critical thinking that could it useful in your day action. So , let's have it and luxuriate in reading.

William Looney:

Reading a publication tends to be new life style in this era globalization. With reading you can get a lot of information that may give you benefit in your life. With book everyone in this world could share their idea. Books can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or perhaps their experience. Not only the story that share in the guides. But also they write about the ability about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on this planet always try to improve their proficiency in writing, they also doing some research before they write on their book. One of them is this Substitute.
