The Serpent Grail: The Truth Behind the Holy Grail, the Philosopher's Stone and the Elixir of Life

Philip Gardiner, Gary Osborn

The truth has been buried for hundreds of years beneath myth, symbolism, and propaganda—but it finally comes to light in these pages and can no longer be denied. This is the story of an extraordinary journey of discovery that uncovers the existence of a serpent-worshipping cult that thrived throughout the world in ancient times and whose influences have permeated all the major religions. The cult's central rite involved mixing together snake blood and venom in a ceremonial bowl, forging a powerful healing elixir—and the evidence shows that this ritual holds the key to solving such enigmatic mysteries as the Holy Grail, Elixir of Life, Philosopher's Stone, and the lost city of Atlantis. It's nothing less than a radical reinterpretation of world history.
