The Unsavvy Traveler: Women's Comic Tales of Catastrophe

The Unsavvy Traveller is a collection of the comic and cathartic tales of more than 25 women travellers, including a soggy bicyclist who takes shelter in an Irish pub, only to become the evening's inebriated musical entertainment; a staunch hiker who battles a bear with a bag of M and a flustered tourist who tries to figure out Japan's curious bathroom etiquette. These women are hilarious casualties of tourism, whether they're breezy, independent trekkers who discover the necessity of preparation far too late or impeccable travellers suddenly beset by the mischievous whims of destiny. In every case, their stories embody the merriest spirit of the intrepid adventurer.
