Have you ever asked the question, "God, where are you?"

Here's the next question... *have you ever heard an answer?*

Where Was God on the Worst Day of My Life is the story of a father who on New Years Day 2015 heard an answer. The response was the most painful and beautiful of his life. This is not a book by which the author attempts to prove what he heard. Rather, within its simple prose, artfully designed pages, and deeply moving photography it creates room for the readers own answers to surface. Of course, not all answers are equally true. Some, through mystery and beauty rise above the others. Like the rivers rushing to the sea, the true voices all rush to the one voice. **Where Was God on the Worst Day of My Life** is a story about the one voice. Once you've heard it, you will never be the same.
