Enduring Connections gives churches and ministers significant guidelines for establishing a quality childhood ministry with preschoolers and grade-schoolers. Enduring Connections is especially helpful to ministers and directors of childhood ministry that are called from the laity to staff positions. By focusing on building a childhood ministry that intentionally connects children to God and the community of faith through paths that are driven by relationship rather than programs, Janice Haywood has produced a resource that will help churches of any size design their own unique ministry for children. A TCP Leadership Series title.
