Adobe InDesign is an amazing application for creating ePUB documents that can be used on iPads, Kindles or other readers. For casual users or beginners who are a little intimidated by InDesign, creating eBooks may seem like a daunting task. This book covers the InDesign skills needed to create ePUB documents in an easy-to-understand step-by-step illustrated tutorial so that readers will be ready to write and publish. You'll see that you don't have to be an InDesign expert to be a successful ePUB author. Written for InDesign CS6, various differences in the CC version are mentioned when appropriate.

The author is a veteran educator, workshop leader, presenter and author. She is an Adobe Certified Associate in InDesign CS6 and has been in the Adobe Education Leader program since 2004.
