Heavenly Questions: Poems Gjertrud Schnackenberg

Heavenly Questions, the first new collection of poems from Gjertrud Schnackenberg since her critically acclaimed *The Throne of Labdacus*, finds her at the height of her talents and showcases her continued growth as an artist. In six long poems, Schnackenberg's rhyme-rich blank verse, with its densely packed images, shifts effortlessly between the lyric and the epic, setting passion to a verbal music that is recognizably her own.

An exceptional and moving new collection from one of the most talented American poets of our time, *Heavenly Questions* is a work of intellectual, aesthetic, and technical innovation?and, more than that, a deeply compassionate and strikingly personal work.
