Just open this "Party in a Book" for hours of nostalgic fun. From an overview of the decade, to songs and albums that were tops of the charts, popular television shows, Academy Award-winning movies, and books that "everyone" bought-to historic events and people that shaped our nation and the world, everything about the seventies is inside this book! You'll find lists of the decade's Super Bowl, Stanley Cup, World Series and NBA Championship winners, as well as highlights from a myriad of other sporting events. There's clothing trends, hairstyles, interior design references, popular foods-even a recipe representative of the era! With slang and buzzwords on every page, you'll be reminded of pop culture references that are still heard today, and remember things that society has moved beyond (does anybody use a slide rule anymore?)

Each 24-page book has a presentation page at the front, plus an autograph spread for partygoers to convey their best wishes to the recipient. Additionally, a CD at the back sets the mood with three of the most popular songs of the era. Music titles to come.
