This French word-power builder presents more than 5,000 words and phrases with translations into English. The feature that makes this vocabulary book distinctive is the way words are divided into themes, grouped together so that the foreign traveler or language student can find words related by subject. The subject themes include business terms, medical terms, household terms, scientific words and phrases, units of measurement, clothing, food and dining, transportation, art and culture:24 separate themes in all. The new second edition has been expanded and updated with increased vocabulary.
