**Supervision and Support in Primary Care (Radcliffe Professional Development)** Jonathan Burton, John Launer

This unique and practical book provides a clear introduction to clinical supervision and support in primary care. Supervision and Support in Primary Care provides practical information and guidance on the nature and purpose of clinical supervision. It uses examples and perspectives from the world of mental health, Balint groups and self-directed learning, and examines the benefits and challenges of supervision within the primary care setting. Numerous case studies are used throughout to describe the wide range of current approaches to supervision for general practitioners, illustrating how this can contribute towards more effective clinical work and training. All those working within primary care will find this book valuable reading.
