It's been the Mother of all bad weeks...

Maggie Crest is a struggling real estate agent living a 'normal' life in Suburban D.C.. Of course 'normal' is a relative term, here. A recent rash of events leaves her thinking her life wasn't so ordinary after all.

A sexy new addition to the neighborhood, a strangely attractive new client and a cast of quirky neighbors sets the stage for intrigue and mayhem on the block. Suddenly, life in the 'hood isn't what it used to be.

Mike Lewis is an FBI agent tasked with watching his nephew while his sister recovers from a devastating accident. Moving into the tame confines of her neighborhood, he finds more excitement than his temporary work assignment allows.

Enter one Maggie Crest. A hot blonde with a killer bod, smart mouth and a mysterious past that all just beg to be investigated further...
