When a sophisticated sex shop opens in their small town, Asia Michaels and her friends find themselves fascinated by its sensual possibilities. And now it's time for Truth or Dare...Asia is about to meet a man who holds the key to her fantasies and to desires she never even knew she had. Shy Becky Harte has a wild side, one she can't wait to explore, which is how she ends up in her local sex shop buying bondage gear. She just never thought that someone she knew would see her, someone she's secretly desired, like George Westin. Twelve years her senior, George is far more experienced than Becky, and more than intrigued at her purchases. He would love to teach the blushing Becky a thing or two about surrender. But it's George who loses control when fantasy becomes reality, and it's the not so innocent Becky calling the shots. Strong, assertive, and wisecracking, Erica Lee is used to having the upper hand in business and in her love life. The problem is, most men are too intimidated by her to stick around for long. When her best friends dare her to find a sex slave to fulfill her every whim, Erica sets her sights on sexy, mischievous Ian Conrad. The dominating Ian isn't afraid of a strong woman like Erica - and he's been waiting for an opportunity to indulge in a few fantasies with her. Soon, he's got Erica at his mercy, turning every request into request into a tantalizing match of seduction that leaves her begging for more and loving every minute of it.
