Genealogical Records of Buckingham County, Virginia Edythe Rucker Whitley

Owing to the total destruction of the county courthouse in 1869, few records of Buckingham County, Virginia survive. From documents in the Virginia State Library and the University of Virginia's Alderman Library, and from materials still in private hands, the compiler of this book has amassed a genealogical record of the county--not continuous and complete, since that would be impossible, but a rich selection of the kind of materials that would have been in the old courthouse. Highlighting the work is a collection of family sketches.
