Growing Your Musician: A Practical Guide for Band and Orchestra Parents Tony Bancroft

Written for a 'civilian parent,' not a college-educated musical professional, *Growing Your Musician: A Practical Guide for Band and Orchestra Parents*, Second edition has a light but informative approach to band and orchestra, interspersed with interesting stories and anecdotes. Informative checklists and quizzes sprinkled throughout the book make a dense topic interesting and accessible while simultaneously focusing on important issues. *Growing Your Musician* aims to help students develop musical skills faster and facilitate better communication among teachers and parents about their progress. Using the National Standards as a benchmark, *Growing Your Musician* tackles critical performance areas that are often overlooked by 'civilians' and teachers alike. This book bridges the gap between parents who want the best for their children but don't exactly know what to do!
