## **Hare and Tortoise Race to the Moon** Oliver J. Corwin

In the tradition of Goldilocks and Cinderella, a debut artist brings us a space-age '70s retro-style retelling of the classic fable by Aesop. Tortoise and Hare are racing their state-of-the-art (and not-so-state-of-the-art) spaceships to the moon! The story is a humorously told tale of friendly competition and the spirit of persistence. The illustrations have bold graphics, bright colors and patterns inspired by ancient as well as modern art. Tortoise and Hare are best friends, and Tortoise, teased for being super-slow, challenges Hare to race to the moon. Hare buys a spaceship, Tortoise builds one, and off they go! Hare's spaceship is astonishingly fast, while Tortoise's is super slow. But Hare is also easily distracted...will Tortoise's determined persistence finally win out?
