Little-Known Wars of Great and Lasting Impact: The Turning Points in Our History We Should Know More About Alan Axelrod

Alan Axelrod identifies 18 smaller wars that led to great changes in history, from the Afghan Civil War that precipitated the rise of the Taliban to the Algerine War in 1815, seen as the first war on terror, to King Philip's War in 1675 that, in proportion to the population at the time, was the costliest war in American history and changed the colonies forever. Axelrod takes a fascinating look at the turning points in world history that people often overlook. Filled with more than 75 maps, illustrations, and paintings. An in-depth and gripping read for people who want to know more about important historical events.
