Victoria Barnhardt set out to create something brilliant; she succeeded beyond her wildest dreams. With one keystroke her program spiraled out of control...and something was born that defied possibility: a being who called to her.

He spoke from within a prison—seeking escape, seeking release, seeking her. He was a miracle that Vic had never intended. More than a scientific discovery, or a brilliant coup by an infamous hacker, he was life. He was beauty. He was genius. And he needed to be released. Just as Victoria did. Though the shadows of the past might rise against them, on one starry Los Angeles night, in each others arms, the pair would find a way to have each other and freedom both.
