Larry Cochran

Career Counseling: A Narrative Approach Larry Cochran

`This book should be viewed as essential reading for anyone interested in developing their understanding of the field of career counselling and developing their own approach. Practitioners will find much they might want to consider incorporating into their own work' - *British Journal of Guidance and Counselling*

`As a career counsellor working with clients of all ages and situations, I found Larry Cochran's new work both pragmatic and intellectually stimulating... [he] provides fresh insight into the essence of career counselling, examining the past to be able to understand the present in order to plan for the future. Written in an accessible style... this book is certainly something which encourages further re
