The eBook, Top 50 Recipes of Natural Remedies for Urinary Tract Infection, is ideally suited for people who are health conscious and are looking for a better way of treating or preventing a urinary tract infection.

At the root of the matter is an invasion by harmful bacteria, and in most cases the e coli variety is responsible. However, in 10 % of the cases, there are other bacteria that are more resistant to regular treatment of this kind and may need another supplemental course of treatment, which are also explained in the latter half of this book.

We all know that antibiotics are the preferred choice of many doctors around the world as it can provide instant relief in most cases of UTI. However, the consequences of this form of treatment are that serious damage is done to the immune system. Besides, the sensitive inner lining of the urinary tract as well as the digestive system gets destroyed.

It is important to understand that due to the reduced immunity the patient who has undergone a course of antibiotics is much more susceptible to future attacks or chronic UTI.

On the other hand, there are several natural cures and preventive methods that can save you from an UTI. Apart from curing you, these remedies provide you with additional nourishment that helps the body from gaining immunity against many other diseases. It is obvious that this line of treating UTI must be made the correct mode of curing this ailment.

Even the preparation of all these recipes is quite easy using some of the most commonly used stuff in your household. Ingredients of each recipe are natural and safe too!
