Outback Exodus (Volume 1) Mrs Dawn Millen

Imagine waking up early one morning and quietly drinking your coffee as you watch the sun rise over the Australian bush. The parrots who normally squawk and chatter at this hour of the day are silent, there is no traffic on the highway in the distance and the dogs are silent and cowering in their kennels. What happens next turns Jenn's whole world in a different direction. Her normal quiet existence on the farm is now over. Jenn becomes one of the leaders of a rag, tag band of travellers retreating from the disaster in the Outback and assists in guiding them to her home village on the coast. Welcome to New Years Day 2013 and the changing of the world as Jenn, Gavin, Rhys, and their families knew it.
