## **Thomas Aquinas: A Portrait** Denys Turner

Leaving so few traces of himself behind, Thomas Aquinas seems to defy the efforts of the biographer. Highly visible as a public teacher, preacher, and theologian, he nevertheless has remained nearly invisible as man and saint. What can be discovered about this man, his mind, and his soul? In this short, compelling portrait, Denys Turner clears away the haze of time and brings Thomas vividly to life for contemporary readers - those unfamiliar with the saint as well as those well acquainted with his teachings.
